Don't Miss This One - Take Advantage of the Home Builder Grant!! Central Location

Location Location Location - Ocean and Golf course views

Live within a minute's drive of the CBD or leave the car at home and walk to all the conveniences of Coffs Harbour's CBD.

Stroll across the road to play 9 or 18 holes of golf, and it will only be just a short walk home after the 19th. This will be just a great spot to call home, for the people that enjoy having everything at their doorstep.

Build your dream home or build 2 homes. Live in one, rent out or sell the other one. There are so many options with this elevated 1035 sqm block with sensational views over the Coffs Harbour golf course and out to the Pacific Blue from the top part of block.

Sit back, relax and capture the views. Watch the planes come and go from the airport, without being underneath them, they will make some great back ground action to these elevated views of this block.

This block would be one of the only large vacant lots, still available this close to the CBD. Don't miss your chance to secure this one, before it disappears and someone else creates an elevated paradise.
